## ...but you shouldn't have to wait that long to get the materials you need.

Natural stone is a bold feature that adds rich texture and beauty to any project. Designers and craftsmen prefer it for its quality, and your clients love how it looks. But supply is limited, so even with proper planning, it can be difficult to source and take a long time to get.

At Select Stone, we've made it our mission to make it easy for you to source natural stone so you can design with it confidently, knowing it will arrive right and on time.
