

...when snow and ice professionals start thinking ahead to winter.

Winter maintenance is a tough business and is only getting tougher. We want to make sourcing deicing products one less thing you have to worry about.

Choose Select Stone for your winter product needs and get the trusted quality of locally produced salt and ice melters plus our honest and friendly service, all at a great price. Whether you have full loads shipped direct to your yard or prefer to pick up what you need throughout the season, Select Stone can help you check “*finding a salt supplier*” off your to-do list.

or visit selectstonesupply.com
to request your quote.

When you partner with **SELECT STONE,** you benefit from....

- ✓ **Competitive pricing**
Whether you're picking up from our yard as needed or having loads shipped directly to your yard, our competitive prices leave more for your bottom line.
- ✓ **High quality, white salt**
Select Stone partners with **Cargill** and **Sifto** to offer contractors a secure supply of high quality, locally produced, white salt.
- ✓ **Dry storage**
You don't have time for breakdowns. Our salt is kept dry so it won't clog up your equipment.
- ✓ **One trusted supplier**
Source all your deicing products from one place. Select Stone offers everything you need for winter from one single source.
- ✓ **Honest, friendly service**
Our team is always happy to help. Reach us on our **24-Hour Salt Hotline** any time of the day or night, all winter long.

DIRECT LOADS
